

Description

Tracks improve floatation over soft, sandy, rocky or muddy ground and provide better traction on slippery surfaces. Note: Only pneumatic tyres and tyres with Superflex formula poly fill manufactured by Arnco are permitted for use inside steel tracks. Bobcat® factory poly-filled tyres meet this requirement. All other tyres including Bobcat® Solid Tyres (Twin Flex, Smooth Flex, Smooth Solid, etc.) are considered non-approved. The use of non-approved tyres will void the loader and track warranties.

Dimensions

Description	Item number	Overall width (mm)
Steel Tracks Package 400 Series	7199506	-
Steel Tracks Package 500 Series	7222581	-
Steel Tracks Package S630/S650	7178955	-
Steel Tracks Package S770	7191754	-
Steel Tracks Package S850	7191757	-

Weights

Description	Item number	Operating weight (kg)	Shipping weight (kg)
Steel Tracks Package 400 Series	7199506	420.0	420.0

Steel Tracks Package S630/S650	7178955	543.0	543.0
Steel Tracks Package S770	7191754	-	-
Steel Tracks Package S850	7191757	619.0	619.0

Characteristics and performance

Description	Item number	Number of pads	Tyre size	Machine width with tracks (mm)
Steel Tracks Package 400 Series	7199506	34	10-16.5	-
Steel Tracks Package 500 Series	7222581	34	10-16.5	-
Steel Tracks Package S630/S650	7178955	38	12-16.5	2007.0
Steel Tracks Package S770	7191754	38	12-16.5	2007.0
Steel Tracks Package S850	7191757	42	14-17.5	2184.0

Main features

- Improves traction and flotation in soft, muddy and loose conditions.
- Open bar design utilizes the tyre to provide maximum traction and flotation
- The special design protects the tyre from wear and damage
- There is a built-in system for length adjustments, for optimum track adjustment in function of tyre and track wear
- Can be installed in less than 30 minutes or removed in 10 minutes.
- **IMPORTANT:** Only pneumatic tyres and tyres with Superflex formula poly fill manufactured by Arnco are permitted for use inside steel tracks. Original Bobcat® factory poly-filled tyres meet this requirement. All other tyres including Bobcat® Solid Tyres (Twin Flex, Smooth Flex, Smooth Solid, etc.) are not approved. Please note that the use of non-approved tyres will void the loader and track warranties

Applications

- Agriculture
- Construction and Demolition
- Forestry
- Grading and Leveling
- Landscaping
- Snow Removal
